

## **ST-X CONNECT**

### **Online IoT Moisture Meter**

It is a tamper proof moisture analyser enabled with Bluetooth and mobile application to remove manual intervention and provide blockchain grade traceability.

## COMMODITY PORTFOLIO

Cereals, oilseeds, pulses, spices,  
vegetable seeds and de-oiled cakes

### DEVICES SPECIFICATIONS

Specifications	Moisture Measurer-G (MM-G)
Accuracy	+/- 0.5%
Power Requirement	1.5V x 4 no. of Pencil cells (AA)
Connectivity	Bluetooth
Display	LCD, Mobile App
Resolution	0.1%
Measuring Range	3%-40%

## BENEFITS OF ST-X

AI Enabled Analytics

Quality Maps

Real Time Procurement Tracking

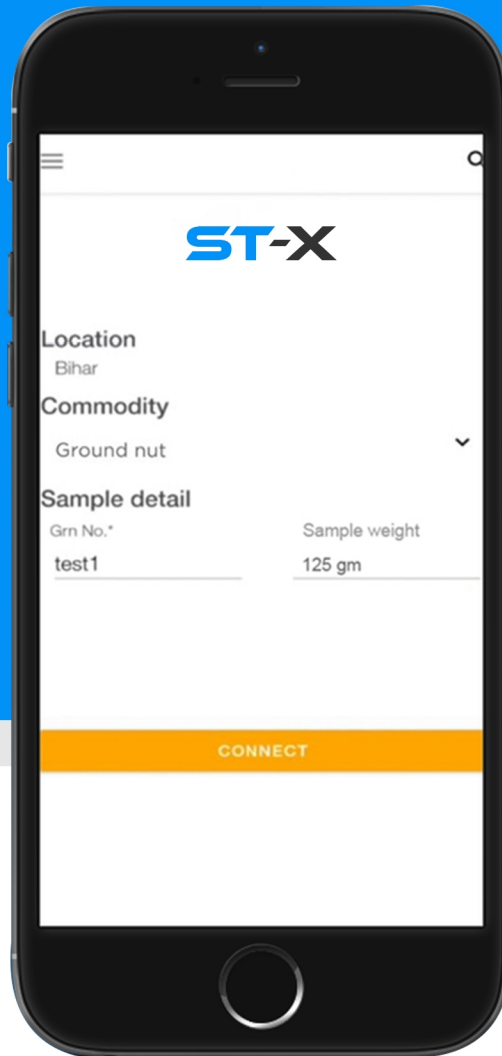

Role Based Access

Traceability

ERP Integration

## HOW IT WORKS?
